

Purpose:

At Safeworking Solutions, we believe that proactive environmental performance contributes to our competitive strength and benefits our clients, employees and the community.

To achieve our environmental goals, we are committed to the principle of continual improvement, prevention of pollution and responsible use of our resources. We have therefore developed a framework to ensure that our activities and services comply with all applicable environmental standards and contribute to the well being of the environments in which we operate.

This policy is testament to our commitment to our environment and will be provided to all Safeworking Solutions staff, contractors and the public to ensure that we are all involved in achieving our environmental objectives.

Scope:

This policy will apply to all Safeworking Solutions employees and contractors.

Objectives:

Safeworking Solutions will;

- Comply with all applicable legislative obligations and other requirements relevant to our environmental aspects.
- Comply with the requirements of ISO 14001 Standard,
- Set and review measurable environmental targets and objectives to minimise the impact of our business on the local environment.
- Encourage a sense of environmental responsibility among all employees and contractors through the communication of this policy.
- Monitor, review and evaluate our environmental initiatives through our internal audits.
